Dear Ms. Balentine,

I want to express my appreciation for my recent wonderful moving experience. On Saturday, Aug 4, three super nice gentlemen moved quite a few pieces of furniture to my daughter and son-in-law's home. Tony, Dwight, and Jonathan did a super job! They were so kind and professional with their job. We quickly became friends and by the end of the move it seemed we had known each other for a long time. They were excellent!

Kathy Meador was also very helpful. The day I came to discuss the move, I was met with a smile and lots of understanding. You know, moving can be stressful. She set things up and we were all set!

I've used services of Crowning Touch before, so I knew exactly to contact your company when I once again had furniture to be moved.

Kind, considerate, and friendly employees are important and your company needs to be commended for a job well done!

Sincerely,
Lana C. Kidd
